POSTER PRESENTATION COMPETITION

Onsite Exhibit: 29th - 30th April 2026
Submission Deadline: 14th April 2026

www.biienergy.us/mehsesummit

📌 ABOUT THE COMPETITION

We invite all HSE professionals and practitioners to submit their posters for presentation at the **Middle East HSE Summit 2026**. This is your opportunity to showcase practical innovations, safety solutions, successful strategies, and impactful case studies to an engaged audience of industry leaders.

📋 HIGHLIGHTS:

- ◇ Present your work onsite to HSE decision-makers
- ◇ 3 posters will be selected as winners by the Summit Advisory Committee
- ◇ All participating poster presenters will be receiving certificates of participation.

📄 SUBMISSION FORMAT:

- ◇ **1-page Digital PDF OR PowerPoint (Max 3 Slides)**
- ◇ May include photos, diagrams, and data visualization
- ◇ Keep text minimal and visuals clear

☰ SUGGESTED POSTER TOPICS CAN INCLUDE:

- ◇ Safety Innovations and Best Practices
- ◇ Workforce Wellbeing and Mental Health
- ◇ High-Risk Operations and Risk Prevention
- ◇ HSE Culture and Leadership Engagement
- ◇ Environmental Safety and Sustainability Initiatives
- ◇ Case Studies from the Energy, Infrastructure, and Construction Sectors

📄 WHAT TO SUBMIT

- ◇ Abstract/Scientific Paper/Poster/Research Document.
A document with graphic presentations visually highlighting proven practices, sharing successful ideas, offering problem-solving solutions or explaining an innovative program. It illustrates your key points, findings and outcomes in graphics, photos, and diagrams using a small amount of text (Abstract -max 300 words). Poster Abstracts submissions are accepted in the following categories:
 - * **General** – representing general HSE research or proven practices.
 - * **Collaborative Safety Projects** – highlighting projects that were joint efforts of HSE professionals and workforce/contractors - e.g., Case Study, Survey Study Presentation of an innovative idea/activity/service which can be implemented with specific mention on – objectives, methodology, parameters, conclusion.
- ◇ Optional: 5-minute video presentation (English or Arabic) summarizing your submission.
A summarisation of the poster abstract in a video format, presented by 1 of the authors in Arabic/English to prepare for the final presentation on Stage.
